Motion was made by Ben Romine to approve the abatement for STAFCO, Nicole Penrod seconded the motion, all voted aye.

**ORDINANCE 2013-19: AMENDMENT TO UTILITY RATE ADVISORY BOARD: 1<sup>ST</sup> READING** Motion was made by Dan Weigold to read Ordinance 2013-19 by title only, Ben Romine seconded the motion, all voted aye. Clerk Treasurer Rosie Coyle read Ordinance 2013-19 an ordinance amending Chapter 32, administrative departments and boards, of Title III of the Code of Ordinances of the City of Columbia City, Indiana.

Mayor Daniel explained this ordinance was brought forward by himself mainly because in looking over the utility rate advisory board he found in our ordinances that it was a political membership meaning there has to be 3 of one party and 2 of another. He felt strongly that the utility rate advisory board should not be based on politics but instead made up of members served by our utility. He asked that they take out the political preference and insert 4 residents of the City and one City utility user that is outside of the City limit. Bill Simpson questioned if there was a reason it was limited to residents inside the City limits as opposed to utility users; a person could own a property but not be a resident of the City. After some discussion, upon the motion of Nicole Penrod to table Ordinance 2013-19 until the next meeting, Ben Romine seconded the motion, all voted aye.

**ORDINANCE 2013-20: AMENDMENT TO PARKING ORDINANCE: 1<sup>ST</sup>**

**READING** Motion was made by Dan Weigold to read Ordinance 2013-20 by title only, Ben Romine seconded the motion, all voted aye. Clerk Treasurer Rosie Coyle read Ordinance 2013-20 an ordinance amending Chapter 71, parking regulations, of Title VII of the Code of Ordinances of the City of Columbia City, Indiana.

Attorney McNagny suggested they might want to table this ordinance as well. She felt she needed to better define in an exclusion way what a car was.

Mayor Daniel noted this was for the northern 3 angled parking spaces on the east side of Line Street south of Market Street. He explained the parking committee brought this up as a suggestion for an ordinance change to make sure it provided for some level of visual clearance when pulling up to that intersection.

Motion was made by Dan Weigold to move forward with Ordinance 2013-20 with the addition of the explanation of cars, Nicole Penrod seconded the motion, all voted aye.

**DEPARTMENT REPORTS** Department reports were given by Tom LaRue, Terry Wherry, Jeff Walker, Tim Longenbaugh, Shawn Lickey, Mike Dear and Kelly Cearbaugh.
