

COLUMBIA CITY REDEVELOPMENT COMMISSION MINUTES
MAY 8, 2012

The Columbia City Redevelopment Commission met in regular session with the following

members present: President Commissioner Carl Siler
Vice President Commissioner Kevin Snell
Commissioner Lindsey Hively
Commissioner Ben Romine
Commissioner Patricia Hatcher

Also in attendance: Mayor Ryan Daniel
Lori Shipman
Attorney Greg Hockemeyer

After reviewing the minutes of the previous meeting, Commissioner Romine made a motion, which is seconded by Commissioner Hatcher, to **approve the minutes** as presented. On call of the vote, all voted aye.

Vice President Commissioner Kevin Snell explained Commissioner Romine and himself are still exploring the different **rates to charge on the RLF and will report at the next regular scheduled meeting.**

Mayor Ryan Daniel informed the Commission the City would like to **eliminate the old Testworth Building using Brownfield funds** this year. This building is within the TIF District and would like the **Commission to consider using some of the TIF dollars** to get this accomplished. This is an eyesore as people enter the business district from the south, and this area could be re-utilized for a business. They would not interfere in the part of the building B & J Rental owns, as long as there isn't any contamination.

As all business was discussed, the Redevelopment Commission adjourned to a strategic work session performed by John Stafford.

These minutes are respectfully submitted by Martha Acres, Administrative Assistant for the Mayor.
