

CITY OF COLUMBIA CITY SIDEWALK ENHANCEMENT AGREEMENT

I, _____, the undersigned, owner of real property located at _____, Columbia City, Indiana, hereby petition the City of Columbia City, by and through its Board of Public Works and Safety, to **proceed** with the sidewalk enhancement project as requested in my 2015 Sidewalk Enhancement Partnership Application and as approved by the Columbia City Sidewalk Committee. I affirm that I am the owner of the above-described property or the authorized representative of such owner.

I hereby confirm and state my understanding that this project is for a 50/50 match on the **public** sidewalk adjoining my property. Private sidewalks, driveway approaches and driveways are 100% my responsibility.

In addition, it is my further understanding that the 50/50 cost match applies only to the replacement of enhancement of such public sidewalk and **not** to any subsequent repairs to such public sidewalk, (including, but not limited to, patching of cracks in the sidewalk or replacement of sidewalk sections with chips or cracks), that may be desired or necessary after the completion of the replacement or enhancement thereof. Said subsequent costs are 100% my responsibility.

Upon execution of this 50/50 Sidewalk Enhancement Agreement, I will be bound to the project and will be responsible for my portion of payment to the Columbia City Clerk Treasurer's Office. Payment shall be paid in full by me, no later than November 30, 2015.

I hereby agree to the stated project cost of \$_____ and agree to be solely responsible for my share of such project in the amount of \$_____.
