

SEWER BILL ADJUSTMENT POLICY

A customer may be entitled to an adjustment of the customer’s sewer bill if the customer can establish that the sewage for which you were billed did not enter into the City of Columbia City’s sewage system. If the sewage entered the sewage system but was not visible, detectable or a result of the act of a customer, the customer can seek an adjustment of the customer’s sewage bill which adjustment will make the customer responsible for paying 25% of the usage over the customer’s average usage. (“Average usage” shall be determined by averaging the customer’s usage over the 12 months prior to the request)

To request an adjustment, please complete the following questionnaire and attach proof that the sewage did not enter the City’s sewage system
