This Year's Tour

The tournaments will be held at Eagle Glen golf course. The cost of each tournament will be \$12 a child with awards going to the top three finishers.

There will be 3 age categories starting with ages 5-8, 9-11, and 12-16.

When filling out the registration form, please be sure to put your child's age at the time of each tournament.

Jr. Golf Program

Each year we will host tournaments held at area golf courses so that we can offer a program to our youth golfers. Through these tournaments we hope to give your child the experience needed to play in programs for their future. Our program offers a competitive edge where the children will be competing with other golfers from our area and from the surrounding areas. This gives your child a chance to see, and play in competitions that they will be participating in as they get older. By doing this, we hope to increase their skill level and give everyone a feel for how well their progress is getting. And also to allow several chances for practicing their golf game. We are excited about this year and hope to see everyone out!
