2025 Title VI Accomplishments

Goal #1 – Continue to publish an article in one of the City's quarterly newsletters to remind citizens of our plan.

An article was published in the Fall 2025 quarterly newsletter:

The below document is posted in City Hall and on the City website:

**NOTICE OF NONDISCRIMINATION UNDER
THE AMERICANS WITH DISABILITIES ACT AND
SECTION 504 OF THE REHABILITATION ACT OF 1973**

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA") and Section 504 of the Rehabilitation Act of 1973, as amended (Section 504) and implementing regulations found in 28 CFR 35 and 49 CFR 27, the City of Columbia City will not and does not discriminate against qualified individuals with disabilities in its policies, or in the admission of, access to, treatment of or employment in its services, programs, or activities.

Employment: The City of Columbia City does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under Title I of the ADA.

Effective Communication: The City of Columbia City will generally, upon request, make all reasonable efforts to provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the City of Columbia City's programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: The City of Columbia City will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, individuals with service animals are welcomed in the City of Columbia City offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of the City of Columbia City, should contact Beth Igney, Human Resources Director/ADA Coordinator at 260-248-5109 as soon as possible but no later than 48 business hours before the scheduled event.

The ADA does not require the City of Columbia City to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of the City of Columbia City is not accessible to persons with disabilities should be directed to Beth Igney, Human Resources Director/ADA Coordinator.

The City of Columbia City will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.
